

Quality Management System Unit

Internal/External Services

1. Issuance of QMS Registered Documents for Various Purposes

The service allows employees, accrediting bodies and other interested parties to request and have copies of TSU's documented information being controlled by the Document Control Officer. Documented information refers to documents and records that serve as evidence of the different units, offices and colleges of the university in the implementation of a quality management system. These are registered to QMS Unit which are required to be controlled and maintained.

Note: For External clients: Not all requested documents are being issued, (e.g. manual/s, operation manual/s, process manual/s) but can be viewed and read.

Copy of manuals are being given to internal clients for accreditation, audit, assessment and certification purposes only.
